## Welcome!

Welcome to Resurrection Catholic School! My name is Maggie Herman and this is my 5th year of teaching! I taught three years at St. Jude, and this will be my second year at Resurrection. I am very excited and looking forward to the fun year ahead.

I have two older sisters one is an accountant in Colorado, and the other is a Pre-K teacher at St. Catherine of Sienna.

I was born and raised in Wichita and have attend-

ed Catholic Schools all throughout high school! I feel I am truly blessed to be able to teach in a catholic school. I can't wait to teach about God and how important faith is in our lives.

Please look for notes this week and next coming home about our weekly schedule, lunch calendar, and volunteer opportunities in the classroom. These first few weeks we will be talking a lot about rules and procedures and how to act in school!

Starting in September we will have a round trip folder that needs to be initialed every night.

Please feel free to contact me if you have any questions or concerns. Know that teaching your children is one of the most important jobs that I have! May God bless you and your families this upcoming year!

Thank you,  
Miss Herman

## Themes for the Month

- ⊙ Rules and Procedures
- ⊙ Welcome To School
- ⊙ All About Me
- ⊙ Apples
- ⊙ Five Senses

## This Months Highlights

### September 1

Spirit Day

### September 4

No School ~ Labor Day

### September 5

Map Testing

- Matches colors

- Circles

- Short & Long

- Big & Little

- Big, Middle, Little

### Social Studies

- Discriminates between “yours” and “mine”

### Fine Arts

- Sings along with others

- Creates own art

## Virtue of the Month: Cheerful Obedience

This month we will be learning about the virtue Cheerful Obedience. We will be working extra hard on following rules and directions. You can remind your child that we have three important rules at school: be nice, be safe, be clean. Teaching your children

to be obedient at home and at school is a very important virtue. It is a virtue that will stay with and benefit your child for the rest of their lives.

“Obedience is the gateway through which knowledge enters the mind”

Helen Keller

## My Teaching Philosophy:

I believe that each child is a special and unique gift from God who needs a secure, loving, and an engaging environment in which to grow and mature emotionally, intellectually, physically, and socially. I believe that young children learn best through play. It is my

goal as a teacher to encourage their natural curiosity and creativity, promote a respect for God and all of His creatures, and help children meet their fullest potential by providing an environment that is safe, happy, and nurturing. I truly love everyday of being a teach-

er. There is no greater joy, privilege, or blessing.
